

# Guy Sebastian, Addicted To This Elevator Love

If I could, I would  
Do it again, I'd do it again  
I wouldn't change a thing  
We have love, and lose love  
And do it again, we do it again  
But that's how we are  
We come back just to throw it all away

Tell me it's over  
So we can do it all again  
I'm addicted to this elevator love  
Tell me you miss me  
And I will come back for one more day  
I'm addicted to this elevator love  
Elevator love

We laugh, we cry  
And do it again, we do it again  
We go to hell and back  
But there's something 'bout you  
I can't keep away  
Just can't keep away  
We know we'll crash down  
But I don't want it any other way

Tell me it's over  
So we can do it all again  
I'm addicted to this elevator love  
Tell me you miss me  
And I will come back for one more day  
I'm addicted to this elevator love  
Elevator...

Over and over and over we fall  
We go up to come down, just to turn it around  
And face it all again

Tell me it's over  
So we can do it all again  
I'm addicted to this elevator love

Tell me it's over  
So we can do it all again  
I'm addicted to this elevator love  
Tell me you miss me  
And I will come back for one more day  
I'm addicted to this elevator love
