Hypnotized
By your sight
You're the kinda girl I wanna make mine
Your love
So fine

I 4 U and U 4 me
Baby

Verse 1:

I'm Feelin You, Thinking, Oh, What Do I Do
Cause You, Got My, Head Spinnin Round In Circles
Is it worth Hangin Around
Oh No, Thinking I've found
A girl, that i, think maybe I'd marry

Why Has This Feelin Taken Over
I'm Finding It So Hard To Breathe
Oh Please
Girl I Think We Better Start Movin

Verse 2:

Baby Let Me Show Ya (ooh)
A Vision Far To Lovely to decline

Standing Right In Front Of me (ooh)
I Never Thought A Part Of Me Could let go, baby
Maybe You And Me Could Get Married

Pre-chorus:

Why Has This Feelin Takin Over
I'm Finding It So Hard To Breathe
Oh Please

So Lets Go Baby

Why Do I Feel Like This?
I Can't Explain The Bliss if you
Oh girl
I Think We Better Start Movin
