

# Guy Sebastian, No One Can Compare (To You)

Listen

Back when I was down and out  
I thought nobody cared about me  
And that's when I found you  
You came along and changed my life  
And cause of you I'll be all right  
I'm so thankful for you  
I can put my trust in you  
That no other compares to you

I've had friends, lovers come and go  
One thing that I know  
Is no one can compare to you  
And that is why  
I'll be by your side in this thing for life  
Cause no one can compare to you

You say what you mean and mean what you say  
Always keep it real that way  
Girl that's why I respect you  
You're always taking care of me  
You never ask for anything  
And I thank God he gave me you  
I can put my trust in you, yeah  
In my world'K  
Cause no one compares to you

Ive had friends, lovers come and go  
No one can compare to you  
Why, and that is why, why, yes I will  
Cause no one can compare to you

Everything I've been through baby  
Said I've never run alone  
Cause you've always been there through the hardest times I've known  
And I only hope to be, everything you want of me  
I want to spend my life with you girl  
Yeah yeah

Let me tell you, I've had friends, lovers come and go  
I know  
No they cant  
No they cant  
In this thing for life  
Cause no one can compare to you  
Ohhh yeah  
Cause no one can compare to you  
Cause no one can compare to you
