

Guy Sebastian, Wonderful World

I see trees of green, red roses too
I see them bloom from me and you
But I think to myself, what a wonderful world yeah

I see skies of blue, clouds of white
Bright blessed day, dark sacred night
But I think to myself, what a wonderful world

The colors of the rainbow, so pretty in the sky
Are also on the faces of people passing by
I see friends shaking hands, saying how do you do
They're really saying, I love you

I hear babies crying, I watch them grow
They'll learn much more, than I'll ever know
But I think to myself, what a wonderful world

I think to myself, what a wonderful world

The colors of the rainbow, so pretty in the sky
Are also on the faces of people passing by
I see friends shaking hands, saying how do you do
They're really saying, I love you

I hear babies crying, I watch them grow
They'll learn much more, than I'll ever know
But I think to myself, what a wonderful world

I think to myself, what a wonderful world

You see, such a wonderful world
