

# Guy Wyant, Belligerent Elephant

Belligerent elephant stealing my coffee-cake  
Tramps right in and sits down, says he's here for tea  
Androgynous buffalo stealing my sirloin steak  
he tramples in and sits down, says he wants some A1

But I won't give it to him, no, it's mine  
But I won't give it to him, no, it's mine  
But I won't give it to him, no, it's mine
