

Guy Wyant, Riverstreets

"Do not panic, but know that what you are about to be exposed to is a rare, mnemonic device

Court, Vine, Sycamore, Main, Locust, Walnut, Chestnut, Cherry, Oak, Mulberry

There's also three one-ways that you've got to watch out for

To start the roads off, Court is friendly and nice

Vine runs to the river, Sycamore runs away, Main runs to the river, no more to say

Locust, Walnut, Chestnut, Cherry, Oak, Mulberry run both ways to the river and back

Court, Vine, Sycamore, Main, Locust, Walnut, Chestnut, Cherry, Oak, Mulberry
