

GWAR, Americanized

I'm Americanized. 9 (nine) tons o'
U.S.A.--I'm Americanized
crack a day. It's up my butt, the USA
All you people will worship us--
You worship me, but still you suck...
U.S.A.--(I'm the Prince of Lies)
I'm Americanized. Death to all
who wear paisley, plucking babies'
filled with hate and filth. I'll

heads like daisies. Your world is
rape your dog with a plow...
someone. Cheap f**kers, sheep f**kers,
Drugs unt guns, drugs and
guns. C'mon man, let's go kill
You're all cheap f**kers
