

GWAR, Fucking An Animal

Ooooh...liliiiiiiiiiiii...aaaaamm...f**kin' an animal!

F**kin' an animal
Holding on the horns
F**kin' an animal
I'm involved with porn
F**kin' an animal
Sure is nice and warm in here...

In my animal
Drinkin' fifty beers
F**kin' an animal
Blowin' fifty steers
F**kin' an animal
Oh, I'm a f**kin' queer
F**kin' an animal

Didn't need to take her on a date
Just had to stand here on the crate
No talking, no torment, no long-term commitment
Just me my animal, Getting my dick bent...

Oh, animal
Lovely animal

Arrrrggggghh!

Animal!
Didn't have to say-ee please
F**kin' an animal
With Legionnaires disease
I'm f**kin' an animal
Damn hard on the knees...
I'm f**kin' an animal

ANIMAL!!!
Animal f**ker on the loose
F**kin' an animal
I'll go from dog to goose
F**kin' an animal
One time I f**ked a moose
F**kin' an animal

Now the animal's in pain!
It's in pain, it's in pain, it's in pain (terrible pain).
But now it starts to rain
But I'm still the same...

Meet my animal
Animal!!
Oh, animal
Oh, animal, animal, animal, animal

Animal!
Not proud of what I do...
I'm f**kin' an animal
I had a great time at the zoo
I'm f**kin' an animal
Cause you won't let me f**k you...
Animal!

Spoken: I'm not willing to spend any more time on that song...
