

GWAR, Hate Love Songs

I hate love songs and I hate lovers
I hate everything that I can't have so I hate you

I hate love songs and I hate lovers
I hate everything that I can't have so I hate you
I hate movies with happy endings
Like that one I saw where all the girls were beautiful like you
Like you
Like you
Like you

I hate wet dreams and masturbation
I hate everything that feels good like sex with you
I hate flowers and little birdies
Makes me wanna puke when I see something cuddily like you

I'm bored
with your insanity
I'm too tired to smile at your stupidity
You've took the very best of me
fell in love push came to shove but you broke so easily

I love hate songs 'bout mass destruction
other people's pain takes my mind off you
I love puppies when they're road-kill
They're too cute to live, too cute to live, too cute
like you

I'm bored
with immortality
I'm too tired to stick it out for eternity
You've took the very best of me
fell in love push came to shove and you broke so easily

I hate love songs
I hate love songs
I hate love songs
I hate love!

I hate love so I hate you
