

GWAR, If I Could Be That

Angry
Stupid
Drunken
Violent
Angry
Stupid
Bitter
Won't be silent

I wanna be something
I wanna be something
I wanna see something
I'm gonna get nothing

I want you

I wanna be something
Don't wanna be nothing

If I could be that
If I could really be that
If I could be that for you

I'll huff and puff
I'd like to blow my life down
If I could be that for you

Angry stupid bitter violent
angry stupid won't be silent
Angry stupid violent
I want you
