

GWAR, Meat Sandwich

Meat Sandwich

In the name of Gwar
In the name of love
In the name of the blood dripping out of the sun

I call out your god
'til before me he stands
But don't send me Jesus
He's only a man!

Meat sandwich!x4

I have come as a feral thing
Clutching at your bloated underbelly
Let the agony of the is to be
be the shrieks the warnings of the death screams

Pummelling the wretched
Crushing the defiler
Pummelling the wretched AYE!

Slay them all, let them come,
let them come, let them come
They come for...
Meat sandwich!x2

I have come as a feral thing
Snapping at your bloated underbelly
To crucify, Shrieks of the crucified

Let the agony of the is to be
Be the shrieks the warnings of the death screams

Pummelling the wretched (you know who)
Crushing the defiler (you know who you are)
Pummelling the wretched AYE! (you know who)

Pummelling the wretched (you know who)
Crushing the defiler (you know who you are)
Pummelling the wretched (you know who)

Pummelling the wretched (you know who)
Pummelling the wretched (you know who you are)
Pummelling the wretched (you know who)

Slay them all, let them come,
let them come, let them come
They come for...
Slay them all, let them come,
let them come, let them come
They come for...
Slay them all, let them come,
let them come, let them come
They come for...
