

GWAR, Penguin Attack

They attack!
They attack!
They are on a rampage
Unleashed from ancient time
Stumbling from the ice age
marching side by side
Beaks of steel are flaming
Women are enraged
Sky of death is flaming
Women get engaged

They were born of atomic steel
Life and death to them seemed so unreal

Slashing at the ramparts
Hurling tons of shot
Shopping now at Wal Mart
Smoking tons of pot
They are on a rampage
They were first to fight
They would write a new page
If they could only write

They were born of atomic steel
They attack
Life and death was so unreal
They attack

C'mon baby, kick 'em in the ding-ding
Trouble on the double's what it b-b-b-b bring, bring

They were born of atomic steel
They attack
It's a penguin attack
So get back
Get back

They were born of atomic steel
Life and death to them seemed so unreal

Armored phalanxes
Flanking maneuvers
Vomiting terror
Gibsons and Hoovers
Blasted by fusion
Kicked in the head
Just to make sure
We chopped up their dead

They were born of atomic steel
Life and death to them seemed so unreal

Stumbling from the ice age
They were last in flight
They would write a new page
If they could only write
Rumbling from the ice age
They were last in line
They would start a new age
If they could just tell time

Its a penguin attack
attack
they were born

its a penguin attack
C'mon baby, kick 'em in the ding-ding
Trouble on the double's what it b-b-b-b bring, bring
They were born of atomic steel
They attack
Life and death was so unreal
They attack!
