GWAR, Techno's Song

I'm the walking nightmare with the microchip like Sunday at the beach!!! Gwar must die! the cosmic leech--I'll make World War III look your pain. When it comes to taking life I'm clear a glass--Now it's broken into shards I can't comprehend on how you get your thrills

brain--A megaton Bufferin to forever end kills. The decadence of your lives was just as I can shove into your assin dicing up worms and making love to road-
