

GWAR, The Morality Squad

We're the Morality Squad
Armed with the wrath of God
My name is Granbo
And here's my holy hot-rod

Freedom to all the people
Brave, true and strong
Freedom to all the people
Unless I think your wrong!

Blasphemy
Rapist mentality
Teen suicide
Necro-bestial anal butt sex, ooh

I got a couple of friends here
Trained by the CIA
Special agents here
To blow you the hell away

GWAR, your the worst
I'll put an end to you
Your even grosser
Than 2 Live Crew

My grandson's a super hero
Just back from the war in Iraq
"My name is Corporal Punishment
I want to scratch your back"

My nephew Tiny
A hundred tons a man
"Aarargrgrgrgrg"
