

Gwenyth Paltrow, Just My Imagination

Gwyneth Paltrow and Babyface - just my imagination

Each day through my window
I watch him as he passes by
I say to myself I'm so lucky he's so fly
To have a boy like him
Is truly a dream come true
Out of all the girlies in the world
He belongs to you

But it was just my imagination
Running away with me
Tell you it was just my imagination
Running away with me

Soon we'll be married
And raise a family (oh, yeah)
Have a cozy little crib in the country
With two children, maybe three
I tell you I can visualize it all, baby
It couldn't be a dream, cause too real it all seems

But it was just my imagination (once again, yeah)
Running away with me (running away with me)
Tell you it was just my imagination
Running away with me (yeah, yeah, ooh)

Every night on my knees I pray, yeah
Dear Lord, hear my plea, yeah
Don't ever let another take his love from me
Or I will surely die, yeah
(Her love is) heavenly (heavenly)
When her arms enfold me
I hear a tender love so deep
But in reality
He doesn't even know me

Just my imagination (ooh, so fly, look at my window)
Running away with me (running away with me, baby)
Just my imagination (yeah)
Running away with me
(My baby, my sugar, my sweetie, look at my baby)

Just my imagination (ooh, so fly, look at my window)
Running away with me (running away with me)
Just my imagination (yeah)
Running away with me
(My baby, my sugar, my sweetie, look at my baby)

Just my imagination (ooh, so fly, look at my window)
Running away with me (running away with me, baby)
Just my imagination (yeah)
Running away with me
(My baby, my sugar, my sweetie, look at my baby)
