

# Gyakie, SCAR (feat. JBEE)

Flip The Music

running around with a scar on my leg  
who's gonna help? i'm in pain.  
release me from this hurt  
you left me in jail, left me jail!!

running around with a scar on my leg  
who's gonna help? i'm in pain.  
release me from this hurt  
you left me in jail, left me jail!!

Then times I was tryna make sure  
you were happy  
I should've been focused on getting my pay  
Shit got me feeling like love is a game  
And I cannot find my way out  
It feels like I'm trapped in maze  
When I gave you my all  
you weren't doing the same  
Im guessing we weren't on the similar page

Do you love me for me or the fame  
Do you love me for me or the bands  
Huh!  
If JBEE weren't clear  
would you still claim him as your man  
KMT all the time I invested  
I should of been chasing bread  
with the gang  
love you again i don't know if I can  
late nights we would talk 'bout  
goals and dreams  
it's mad we had so many plans

where do you draw the line, draw the line?  
say it!!  
would you say it loud? say it loud, say it.  
odo papa paa me ne wo nkoaa ooo  
nanso as3m bi nti we can't go

running around with a scar on my leg  
who's gonna help? i'm in pain.  
release me from this hurt  
you left me in jail, left me jail!!

running around with a scar on my leg  
who's gonna help? i'm in pain.  
release me from this hurt  
you left me in jail, left me jail!!

It's crazy I thought you would hold me down  
Fell in love with a Ghana babe  
But there's no love in this crazy town  
So many times that you done man wrong  
Right now man I feel like I'm losing count  
Plenty of times that you told me lies  
Countless times that I let you slide  
You were taking the kid for a clown

I lied when I said it was only you  
It weren't just you that I was tryna pursue  
Your friends told you

that you weren't the only one  
I was wondering how they knew  
You miss the person I was before  
Your saying I've changed ever since I blew  
There were things you were hiding too  
Don't act like you were the perfect boo

where do you draw the line, draw the line?  
say it!! would you say it loud? say it loud, say it.  
odo papa paa me ne wo nkoaa ooo  
nanso as3m bi nti we can't go

running around with a scar on my leg  
who's gonna help? i'm in pain.  
release me from this hurt  
you left me in jail, left me jail!!

running around with a scar on my leg  
who's gonna help? i'm in pain.  
release me from this hurt  
you left me in jail, left me jail!!
