

Gym Class Heroes, Live A Little

Can you feel the urgency?
Like a needle pulling out
Can you feel the urgency?

Pulses of anxiety
We're just faces in the crowd
Pulses of anxiety

Are these the lies that we've been taught to believe?
Are these the lives that we have opted to lead?
Uh oh, uh oh

Staring at the clock
I hear each tick and tock
And they whisper that I've lost the race
But I won't fucking stop
I'll hold you by my side
I need you here tonight
Because if we're gonna lose this thing
We're going out in style

Time replace reality
Now we are peaking through the hours
Time replace reality

So I grasp for sanity
I refuse to be devoured
So I grasp for sanity

Are these the lies that were taught to believe?
Are these the lives we have opted to lead?
Uh oh, uh oh

Staring at the clock
I hear each tick and tock
And they whisper that I've lost the race
But I won't fucking stop
I'll hold you by my side
I need you here tonight
Because if we're gonna lose this thing
We're going out in style

Staring at the clock
I hear each tick and tock
And they whisper that I've lost the race
But I won't fucking stop
I'll hold you by my side
You know I need you here tonight
Because if we're gonna lose this thing
We're going out in style

Staring at the clock
I hear each tick and tock
And they whisper that I've lost the race
But I won't fucking stop
I'll hold you by my side
You know I need you here tonight
Because if we're gonna lose this thing
We're going out in style
