

# Gypsy Kyss, Somewhere With Somebody Else

Somewhere somebody is sometimes  
Thinking something 'bout somebody else  
Somehow, w've got to get these people together  
Velvet's laying in her lover's arms  
Thinking 'bout somebody else  
Fashion's laying in his lover's arms  
Wishing he were somewhere with somebody else  
Velvet and Fashion  
are somewhere with somebody else  
Somehow somewhere  
We've gotta get these people together
