

Gyroscope, Are You Getting Any Better?

honey I miss your bright blue eyes
I've learned from my lessons
to keep away from you when you're like this
i mean when I'm in the wrong.

Sing it Sing it

Sing it Sing it

understand it's just the way I am

I promised you the world

sorry I didn't follow through.

I need you to promise me.

Sing it Sing it

are you getting any better?

Five steps to falling.

Sing it Sing it yeah.

are you getting any better?

Five steps to falling

Sing it Sing it yeah.

you're missing from this bed I made for you

you're missing from this bed I made for you

you're missing from this bed I made for you

bed I made for you
