

H-Blockx, Go Freaky

No matter where we are and no matter where we go
It's our style our line and our music that we show
Just listen to the beat and a little later you will know
It's really freaky funky stuff and honest too
Forget the shit that you hear and you see
Every night and day on your color TV
Just listen to peppers pray across the land
They're really freaky funky and no beat box band

Chorus:

Go freaky - in the world we're livin'
Go freaky - 'cause funk does begin
Go freaky - in the world we're livin'
Go what - go freaky!

No matter where we are and no matter where we go
It's our style our line and our music that we show
One of our dreams so it seems is to support a pepper show
Only meet these guys and let the people know
That they're the best of the west and harder than the rest
smooth you might think and honest we know
Now listen to the beat 'cause Mason's gonna go

Chorus
