

H.I.M., Beyond Redemption

Oh I see your scars
I know where they're from
So sensually carved and bleeding
Until you're dead and gone
I've seen it all before
Beauty and splendour torn
It's when heaven turns to black
And hell to white
Right to wrong and wrong to right

Now

Feel it turning your heart into stone
Feel it piercing your courageous soul
beyond now - redemption
no one's going to catch you when you fall

Oh I see you crawl
You can barely walk
With arms wide open
You keep on begging for more
I've been there before
Knocking on the same door
It's when hate turns to love
And love to hate
Faith to doubt and doubt to faith

Now

Feel it turning your heart into stone
Feel it piercing your courageous soul
beyond now - redemption
no one's going to catch you when you fall (x5)

You're beyond now - redemption
You're beyond now - redemption
You're beyond now - redemption
You're beyond now - redemption
