

H.I.M., Love You Like I Do

On my heart I'll bear the shame
No prayer can ease the pain

No one will love you
No one will love you the way I do
No one will love you, love you like I do

And there's no escape
Just countless mistakes

No one will love you
No one will love you the way I do
No one will love you, love you like I do

It will never be the same
Witness trust fade away

No one will love you
No one will love you the way I do
No one will love you , love you like I do

No one will love you
No one will love the way i do
No one will love you , love you like I do

Love you like I do
Love you like I do
Love you like I do
Love you like I do
