

# H.I.M., Vampire Heart

You can't escape the wrath of my heart  
Beating to your funeral song  
All faith is lust for hell regained  
And love dust in the hands of shame

Let me bleed you this song of my heart deformed  
Lead you along this path in the dark  
Where I belong until I feel your warmth

Hold me like you held on to life  
When all fears came alive and entombed me  
Love me like you loved the sun  
Scorching the blood in my vampire heart

I'll be the thorns in every rose,  
you've been sent by hope  
(You'll grow cold)  
I am the nightmare waking you up  
from the dream of a dream of love  
(Just like before)

Let me weep you this poem as heaven's gates close  
Paint you my soul scarred and alone  
Waiting for your kiss to take me back home

Hold me like you held on to life  
When all fears came alive and entombed me  
Love me like you loved the sun  
Scorching the blood in my vampire heart

Hold me like you held on to life  
When all fears came alive and entombed me  
Love me like you loved the sun  
Scorching the blood in my vampire heart

Hold me like you held on to life  
(Like you held onto life)  
(When all fears came alive and entombed me)  
My vampire heart  
Love me like you loved the sun  
(Love me like you loved the sun)  
(Scorching the blood in my)  
My vampire heart
