

H-Town, Special Kinda Fool

I'll be your special...

[Verse 1:]

Tell me why... you don't love me baby

I done my best to treat you right...

I've had so much planned oh no no why why

Why has thou forsaken me baby

Been there for you from the time of need

Now I understand

[Chorus:]

See I've been your special kinda fool... too long

I've been your special fool too long I got to move on yeah

See I've been your special kinda fool... too longgg yeah yeah

Been your special fool too long

[Verse 2:]

You inspired me... to do this album lady

I promise in my heart if I made tell mill... that I would give you five

And that includes with two cars and a house with deed

Tell me that ain't love baby and after all that you still ran out on me

Now I understand

[Chorus:]

See I've been your special kinda fool... too long baby yeah yeah

I've been your special fool too long your special fool

See I've been your special kinda fool... too longgg

Been your fool too long oh baby

Play for me looney toon man

Come on my man play it for me dino play it for me dino

I've been your special fool baby
