

H-Town, Ways To Treat A Woman

[Verse 1:]

Let's stroll down the ave
Watch your hair blow back
Let's see the favorite smile
That you smile when I'm smilin back
That's the way that I know that you're pleased with my cool act
And baby all that I'm thinkin is how to treat you with some respect

[Chorus:]

Know what baby I know
How to treat a woman
And I do how to love a woman
The ways to treat a woman yeah yeah
And I know how to caress your back
Nights when you sleep
And how to do it when you wake up
Love you in the morning
Anytime
Listen baby

[Verse 2:]

Baby I know you like it when I lick the honey off your smooth back
The way I rub your pretty toes and maybe suck em after all that
And when you make sexy sounds
I start to grow with the flow yeah
And babygirl don't you know
I know how to please for what you want

[Chorus 2:]

Telling you that I know
How to do you and I do
How to love you
The ways to treat a woman yeah
And I know
How to rub your back

How to sex you down with lotion and all the things that you need
The ways to treat a woman yeah
