H2O, Scene Report

Well I woke up with this feeling yesterday No matter how hard I tried I couldn't say Where it came from and what it did to me Like a hole inside too wide and way too deep

But I know I'm gonna find my way and I know I gotta have my say

I hate when I turn on my fucking TV A newsman's trying hard to explain my scene to me Hardcore's been my life since way back when It's my family, my future, my best friend

But I know I'm gonna find my way And I know I gotta have my say

It's not fashion or a TV show It's my life, It's the only one I know It's not a new concept on MTV It's something real beating inside of me

Woke up with this feeling yesterday No matter how hard I tried I couldn't say Where it came from and what it did to me Like a hole inside too wide and way too deep

But I know I'm gonna find my way and I know I gotta have my say
