

H2O, Underneath The Flames

Life is a mystery, everyone must stand alone
I hear you call my name, and it feels like...

When you call my name it's like a little prayer
Down on my knees I want to take you there
In the midnight hour I can feel your power
Just like a prayer, you know I'll take you there

I hear your voice, it's like an angel sighing
I have no choice I hear your voice
Feels like fire

I close my eyes, oh god I think I'm falling
Out of the sky, I close my eyes
Heaven help me

When you call my name it's like a little prayer
Down on my knees I want to take you there
In the midnight hour I can feel your power
Just like a prayer, you know I'll take you there

Like a child, you whisper softly to me
You're in control just like a dream
Now I'm chasing

It's like a dream, no ending no beginning
You're here with me, it's like a dream

When you call my name it's like a little prayer
Down on my knees I want to take you there
In the midnight hour I can feel your power
Just like a prayer, you know I'll take you there
When you call my name it's like a little prayer
Down on my knees I want to take you there
In the midnight hour I can feel your power
Just like a prayer, you know I'll take you there

Just like a prayer, your voice can take me there
Just like it used to be, you are a mystery
Just like a dream, you don't know what you see
Just like a prayer your voice can take me there

Just like a prayer, I'll take you there
It's like a dream to me
Just like a prayer, I'll take you there
It's like a dream to me
