

Habakuk feat. Ras Luta, Inity

I am you, you are me.
I am you, you are me.

I love to dance when you make me dancin'.
I love to smile when you make me smilin'.
Sing when you make singin', love when you make me lovin'.
I love to play, I love to say,
I love to see, you and me, hey
Look at me.
Love is inity, love is inity, love is inity.
