

# Haddaway, I Miss You! (Other Vers 3.)

I know you can hear me, you would say  
There's always two sides of every story  
You're so right, I was wrong  
I can't live without you!

Love was always easy  
But the hearts was always hard  
I didn't meant to be a such a fool  
I want to make it right for every mistake i've done  
I thought it'll be okay, but it was wrong

(Chorus)  
I miss you, Oh I miss you  
I'm gonna need you more and more in life  
I miss you, more than hearts can say  
More than hearts can ever say!

All the truth i'll keep it secret by myself  
I need to show you just how much i've changed  
Cause girl' you would be mine, if you had only tried  
You wouldn't say goodbye to me again

(ChorusX2)
