

# Hades Almighty, Submission Equals Suicide

When the hunger  
Slit your mind apart  
And you hind yourself  
Strangled by the crown of thorns  
You crave.your soul is bleeding  
You throttle in a lake  
Of lunacy and decay  
You grasp for your fear  
Caged by mediocrasy  
The morals of the "high lords" is for the damned  
Is for the DAMNED!!

Go for the chaos  
Go for the kill  
Bow for the bloodlust  
"Do what thou wilt"

Love your addiction  
To this drug, that I call life  
Play the games of desire  
Thrust and twist the knife

So push it harder  
Drive it faster  
Realise that you're the master  
Beneath the cross you fools can hide  
Submission equals suicide

Go for the chaos
