

# Hades Almighty, Unholy Congregation

into the darkest forrest they go  
dressed in black  
dressed in coats  
women of evil lust

unholy congregation

at the darkest hour  
their torches they light  
witches hour  
infernally silence  
they wait before the altar  
chanting invocation

in a blaze of fire he stands  
some horrid shape of a goat  
each of them pay his homage

osculum obscenum

white skin freezing in the moonshine  
dance in a circle, wait for turn  
wine like black clotted blood  
drink!!!
