

# Haemorrhage, Torrent Like Eventeration

Acute peritonitis in acrid purulence  
Volatile gases expand as tissues effervesce  
Bile-encrusted innards rupture and prolapse  
Congested by flatulence...

Pneumo-gastric collapse  
Expulsive disembowelment  
Cascade of guts and gore  
Peritoneum bursts open... Abdominal disgorge!!!

Stomach explodes ejecting blood and chyme  
Gushing gastric juices gurgling faecal slime  
Raging eventeration visceral mass comes forth  
Extruded entrails splat upon the floor.
