

HAIM, Don't Save Me

Never thought I would grow so old
Seeing the go?
Still I never wanted it to go
I've hoped cold heart
Feel the way it used to start up.

Take me back.
Take me back to the way that I was before,
Hungry for what was to come
Now I am longing for the way I was.

Say you will, say you will save me
Say you will, say you will save me
Say you will, say you will save me
Say you will, say you will...

Take me back
Give it up, give it up to me
Cause I can't go on
If your love isn't strong
See I wanna know
Give me, give me all your love
If you can't hold on
Than baby
Baby don't save me
If your love isn't strong
Than baby don't save me
No, no

All my life I was trying to get on a highway
I was wandering which way to go
Spending all of my damn time
Leaving all the weight behind

Take me back
Take me back to how it used to go
Screaming for what was to come
Now I am dreaming back the way I was

Say you will, say you will save me
Say you will, say you will save me
Say you will, say you will save me
Say you will, say you will...

Take me back
Give it up, give it up to me
Cause I can't go on
If your love isn't strong
See I wanna know
Give me, give me all your love
If you can't hold on
Than baby
Baby don't save me
If your love isn't strong
Than baby don't save me
No, no

And if I have to beg for your love
Tell me, tell me
Would it ever be enough

And if I have to beg for your love
Tell me, tell me
Would it ever be enough

So baby, don't save me
No baby, don't save me
Baby don't save me
No, no
If your love isn't strong
Baby don't save me
No, no
If your love isn't strong
Baby don't save me
No, no
If your love isn't strong
