

# HAIM, Home (Piosenka z filmu Barbie)

Utwór Home to piosenka z filmu Barbie. Premiera już wkrótce.

Thinkin' that you got me  
Well, I know me better  
I'm not the girl who beats around just to walked all over  
I never shed the light  
I never felt and I never like  
But I never thought that I could be the one to open my arms

I know that  
We'll be lookin' back one day  
But I trust you, baby, I  
Could never stay the same

When everything felt so wrong  
It led me to where I belong  
So now  
I'm goin' home  
Take me home, just tame me home  
Take me home

Home is a symphony and it's meant to be with sweet company  
Just another reverie, ... ocean  
I know that I may never, the future is unpredictable  
A hundred choices that we hear, this is not like every tear  
Take me home, take me home  
Take me home, take me home  
Hold it inside your heart  
Just take me home

I know that  
We'll be lookin' back one day  
But I trusted you, baby, I  
Could never stay the same

When everything felt so wrong  
It led me to where I belong  
So now (Now, now)  
I'm goin' home  
Take me home, just tame me home  
Take me home

And back on .... the best is new  
I left and come back but what am I closer to? (I know now)  
What am I closer to? (I know now)  
What am I closer to?  
What am I closer to?

I know that  
We'll be lookin' back one day  
But I trusted you, baby, I  
Could never stay the same (Could never stay the same)

When everything felt so wrong  
It led me to where I belong  
So now (Now, now)  
I'm goin' home  
Take me home, just tame me home  
Take me home

Home is a symphony and it's meant to be with sweet company  
Just another reverie, ... ocean  
I know that I may never, the future is unpredictable  
A hundred choices that we hear, this is not like every tear

Take me home, take me home  
Take me home, take me home  
Hold it inside your heart  
Just take me home
