

Hair, White Boys

White boys are so pretty,
Skin as smooth as milk
White boys are so pretty,
Hair like Chinese silk

I tell you that your white boys give me goosebumps,
White boys give me the chills
And when they touch my shoulder,
That's the touch that kills

My momma calls them lillies,
But I call 'em picadillies
My daddy told me "stay away",
But I say "c'mon out and play"

White boys are so groovy,
White boys are so tough,
Everytime that they're near me,
I just can't get enough

Oh, white boys are so pretty,
White boys are so sweet,
White boys drive me crazy,
Drive me indiscreet

Oh oh, white boys are so sexy,
Legs so long and lean,
I love those sprayed-on trousers,
Love the love machine

My brother call them rubble,
That's my kind of trouble
My daddy told me "no no no no",
But I say white boys, "go go go go"

White boys are so lovely,
Beautiful as girls
I love to run my fingers,
And toes through all them curls

Give me a strong, a lean,
A sexy, a sweet,
A pretty, a juicy,
White boy

Black boys,
White boys,
Black boys,
White boys
