

# Hal Ketchum, My Love Will Not Change

Well, the seasons come, and the seasons go.  
And the reason you left, guess I'll never know.  
There will be others, yes, I know it's true.  
But they won't do you like I did for you.

My love will not change.  
My love will not change.  
It just rolls like a river to the sea of your name.  
My love will not change.  
My love will not change.  
It's as steady as the rhythm of the pouring rain.

Strong as a wind across a mountain top,  
Hey, my love is moving and it just won't stop.  
I turned you loose, honey, I let you fly.  
Now all I can do is hang my little head and cry.

My love will not change.  
My love will not change.  
It just rolls like a river to the sea of your name.  
My love will not change.  
My love will not change.  
It's as steady as the rhythm of the pouring rain.

My love will not change.  
My love will not change.  
Might as well try holdin' back a fast freight train.  
My love will not change.  
My love will not change.  
Baby, ask me tomorrow and I'll tell you the same.

My love will not change.  
My love will not change.  
It just rolls like a river to the sea of your name.  
My love will not change.  
My love will not change.  
It's as steady as the rhythm of the pouring rain.

Hey, my love will not change.  
My love will not change.

Yeah, my love will not change.  
My love will not change.

Yeah, my love will not change.  
My love will not change.

Hey, my love will not change.  
My love will not change.
