

# Hale, Here Tonight

So long to you my love  
Don't be afraid to run away  
I know you'll be okay  
Just take your time to find

But I need you here tonight  
I need you here inside  
I need you here tonight  
I really, really need you here tonight

Made up my mind on this  
Too late for me to hold you back  
Maybe too short or dumb  
To cry for you but I will anyway

It's all my fault  
To feel this way for you that day  
I know I am and I will  
Though it's wrong,so wrong

Cause I need you here tonight  
I need you here inside  
I need you here tonight  
I really, really need you here

I need you, I need you  
I need you here inside  
I need you I need you  
I really, really need you
