

# Hale, One Moment, One Nescafe

Whats another story to hear  
Whats another laugh for two  
Whats another tick on the clock  
When its magic shared by you

Whats another smile to give?  
Whats another kiss or two?  
Whats another line to say?  
When its now thats shared by you

A cup in hand  
you know its worth your while  
A cup in hand  
Let's sit and stay for a while  
Let minutes turn to moments  
Let's mix  
Let's talk  
One moment  
One Nescafe

Let's mix  
Let's talk  
One moment  
One Nescafe
