

Halestorm, I Get Off

You don't know that I know,
You watch me every night
And I just can't resist the urge
To stand here in the light
Your greedy eyes upon me
And then I come undone
And I could close the curtains
But this is too much fun

But nothing is for free
It's all give and take
Kinda life we make
When your line is crossed
I get off
I get off
But you don't know
What you can't see
Is what I do for you
I do for me

[Bridge]

I get off on you
Getting off on me
I give you what you want
Yeaaaaaaah...

[Chorus]

I get off on you
Getting off on me
I give you what you want
But nothing is for free
It's all give and take
Kinda life we make
When your line is crossed
I get off
I get off
Yeaah I get off
Yeaah I get off
I get off!!
