

Half Japanese, Sometimes

Sometimes good people do bad things.
Sometimes they just can't help it.
Sometimes it's beyond their control.
Sometimes.

Frankenstein made a monster, Frankenstein made a man.
The good doctor made a bad mistake, and now it's gotten out of hand.
Sometimes good people do good things, but don't count on it.
Sometimes good people do good things, but not this time, not this time.
Why did he do it? Why won't he stop?
Why did he do it? Stop, stop, stop.
Sometimes good people do bad things.
Sometimes they just can't help it.
Sometimes it's beyond their control.
Sometimes.

Frankenstein made a monster, Frankenstein made a man.
The good doctor made a bad mistake, and now it's gotten out of hand.
Stop, stop, stop, stop, stop...
