

Halfcocked, Thanks For The Ride

Well I plug you in
Turn you on
And wait
I twist you up
'Til you just
Vibrate
Thanks for the ride
Thanks for the ride
Thanks for the ride
Oh, thank you
Well I put you down while I
Concentrate
I try to stop, but its
Just too late Thanks for the ride
Thanks for the ride
Thanks for the ride
Oh, thank you
Thank you for the comfort and style
Thank you for the permanent smile
Thank you for the gleam in my eye
Thank you for the turbulent ride
Oh, thank you
Thanks for the ride
Thanks for the ride
Thanks for the ride
Thanks for the ride
