

# Halifax, Scarlet Letter Pt. 2

Crush my bones tonight  
So thin that they might  
Slide under his door  
And leave my heart for the world  
To see... (Leave this to me...)

He think's he's FRAMED...  
So clueless as to the situation  
He's got himself in...  
Buried beneath his haunted memories...

So cough, cough, cough it up...  
Have you lost your breath  
Or maybe that's me  
Tearing out your lungs...

Tell me how it feels...  
To know that this is  
Just my dream...  
And it's your reality...

A scream pulls me  
In the direction  
Of my living room...  
A body laying on the floor  
Looking at me  
With a blank, blank stare...  
On his face....

Does this seem familiar...  
DOES THIS SEEM FAMILIAR?...

So cough, cough, cough it up...  
Have you lost your breath  
Or maybe that's me  
Tearing out your lungs...

Tell me how it feels...  
To know that this is  
Just my dream...  
And it's your reality...

So cough, cough, cough it up...  
Have you lost your breath  
Or maybe that's me  
Tearing out your lungs...

So tell me how it feels...  
To know that this is  
Just my DREAM...  
AND it's YOUR reality...  
And it's your reality...  
And it's your....
