

# Hall & Oates, Do What You Want, Be What You Are

Do what you want, be what you are  
Do what you want girl, but be what you are

There ain't no right or wrong way  
Just a play from the heart  
It ain't a sign of weakness to give yourself away  
Because the strong give up and move on,  
While the weak, weak give up and stay

Chorus:  
So do what you want to do  
But be what you are ...

Do you believe in hot cars,  
Leather bars, or movie stars  
Is that what's real  
Payin' dues, earth shoes, chicago blues  
Is that how you feel?  
You can change, you can change, you can change  
But you can't conceal  
What's deep inside you  
It's your game, it's your deal  
It's your game, it's your deal

Chorus:  
So do what you want to do  
But be what you are ...
