

# Hall & Oates, Go Solo

Music and lyrics: Hall

You need to make it on your own  
You wanna shake it go it alone  
Whatever happened?  
I did alright by you  
I can feel the passion girl  
Its still as strong  
Though the places have turned around  
Oh I can be the one to wait  
You take the easy way out  
I'm no one to doubt  
(If that ain't enough)  
Ain't enough for you  
Go Solo  
(You can take the lead)  
Play a brand new part  
Go Solo, solo

You say there's trouble in Paradise  
I'm only joking but you better be right  
Oh, whatever happens, there ain't no turnin' 'round  
I can understand you need to find yourself  
Make a way without any help  
Oh I can be the one who waits  
To take the only way out  
I'm no one to doubt  
(If that ain't enough)  
Ain't enough for you  
Go Solo  
(You can take the lead)  
Play a brand new part  
Go Solo, solo

I don't mind your flying blind  
Just shake it up and take it to the break this time  
Shake it up and take it to the break this time  
This time, oh  
Shake it up and take it, shake it up and take it girl  
(If that ain't enough)  
Ain't enough for you  
Go solo, go solo  
(You can take the lead)  
Play a brand new part  
Go solo

I could do good somehow  
(If it ain't enough)  
Ain't enough for you  
Go solo, oh girl  
(You can take the lead)  
Play a brand new part  
Go solo

Oh, shake it up and take it, shake it up and take it  
(If that ain't enough)  
Ain't enough for you  
Go solo  
How could you go solo  
(You can take the lead)  
Play a new part  
Go solo ooh  
Shake it  
(If that ain't enough)

Ain't enough for you  
Go solo, solo
