

Hall & Oates, Hard To Be In Love With You

Lyrics: Daryl Hall John Oates

Music: Daryl Hall, John Oates, Neil Jason

Don't want to face it but I know that it's time to go home
I cannot say what I want to say when we're alone
I've got to leave but I want to stay
Where you are is so far from the U.S. of A.
When we're more than half a world away
It's so hard to be in love with you
Operator, International 011, oh
Put your love on the line, put your ear to the phone
Maybe it's no longer than a night and a day
But where you are is so far from the U.S. of A.
And it ain't so easy, easy on the heart
It's so hard to be in love with you
