

Hall & Oates, Heartbreak Time

The only consolation in this situation
Is I know you're missing me
The way I'm missing you
I guess that you ain't sleeping and the company you're keeping
they're all gonna offer you
words of comfort too

Time will heal it, that's what they say
But I can't help but wish tomorrow was today

I been doing heartbreak time
and there's no two ways about it
when you're in you just can't doubt it
doing heartbreak time
I been doing heartbreak time
and though I keep believing
it's my heart that I'm deceiving
doing heartbreak time

Maybe I'm just pretending but I see a happy ending
well I guess that's just like me
a fool in love you see
I can still recall the day, you said that you'd be mine to stay
words that meant so much
Oh I miss your touch

When you'd call me I'd know what you'd want to say
I can't help it, I wish it was yesterday #####

I been doing heartbreak time
and there's no two ways about it
when you're in you just can't doubt it
doing heartbreak time
I been doing heartbreak time
and though I keep believing
it's my heart that I'm deceiving
doing heartbreak time

And though we may be parted
you still hold the key to my heart
and I'm locked away
