

# Hall & Oates, I'm In Pieces

Music by Daryl Hall  
Lyrics by Daryl Hall, Janna Allen

Why do I go all to pieces  
When you're breezin' by  
My desire makes me shy  
The words I wanna say to you  
But baby I'm afraid to  
'Cause I've been a fool in love  
Over and over again  
You gotta know I'm in trouble  
I'm all undone  
Got my heart in your hand, understand?  
can't cool down the passion  
Can't stop the reaction  
So be careful with a fool in love  
Who is over his head again

I'm in Pieces  
I'm in Pieces over you  
Girl I can't hold. out

Got to hold back my obsession  
'Cause I care too much  
But it's hard-to pretend (once again)  
Can't slow down every heartbeat.:  
No catchin' up on lost sleep  
Gone so far and I'm so deep over my. head again

I'm in Pieces  
I'm in Pieces over you  
Girl I can't hold out  
Guess I'll go to pieces now

You shatter my pattern  
You let me see daylight  
I'm takin up habits  
Just to break 'em all over again
