

# Hall & Oates, It Doesn't Matter Anymore

(daryl hall/sandy allen)

I've been used to seeing the world with the eyes of two  
Now you're gone, no more window shopping with you  
Guess I'll spend another day walking around  
But don't think that I'm sorry babe, don't you think that I'm down

'cause you know it doesn't matter, you know it doesn't matter anymore  
And that's what I'm here to tell you  
You know it doesn't matter, yes it doesn't matter anymore

I've been used, you might say that I've been misused  
But I'm not gonna feel bad for myself even though I've been bruised, so bruised  
Guess I'll spend another day walking around  
But don't think that I'm sorry babe, don't you think that I'm down

'cause you know it doesn't matter, you know it doesn't matter anymore  
And that's what I'm here to tell you  
You know it doesn't matter, yes it doesn't matter anymore
