

# Hall & Oates, Keep On Pushin' Love

Music by John Oates / Lyrics by John Oates

Little girl walkin' down the street  
Gotta subway smile & a heart in heat  
Sayin' work it for you daddy  
I'll work it for you daddy  
Work it for you daddy  
All nite

Leather boy make the metal scene  
Wanna party with the band  
Have the hot chicks screamin'  
It's a video dream

Watch the Preacher Man work the T.V. screen  
He'll take your money, love and promise everything  
But there ain't no shortcut to Salvation

Every man, woman, every boy & girl  
Let your love lite shine  
Make a better world believe it  
People when you feel it

Keep on Pushin' Love  
'Cause your heart can't deny  
You'll be right on time if you  
Keep on Push in' Love

See the homeless man on a frozen stoop  
He gets the walk-on-by from the business suit  
See it happening every day (you know) it don't have to be that way

Got a bomb for me and two for you  
I'll blow your scene baby  
Then you can blow mine too

Every man, woman, every boy & girl  
Let your love lite shine  
Make a better world believe it  
People if you feel it  
Keep on Pushin' Love
