

Hall & Oates, Open All Night

Music: Hall

Lyrics: Hall/S. Allen

I know how you spent your time
Too many people know you weren't alone
Your after hours followed you home
Oh I heard, he said
She was open all night
While I was away
She was open all night
Don't ask me to tell you who told me
She was open all night
While I was away
You were open all night
Don't ask me to tell you who said

Gotta lotta friends I don't need
They say "you'd rather hear it first from me"
Maybe I don't wanna hear it at all
It's too far to fall so don't say
She was open all night
Don't ask me to tell you who told me
No I don't want to tell you
